

Required for September 2017
TEACHER OF MATHEMATICS with responsibility for KS3
Job Reference Code: FA17/1205
Salary range: M1 – M6 depending on experience
Full time, permanent post

Furness Academy is a large 11-16 mixed academy, located near the centre of the historic shipbuilding town of Barrow in Furness and close to the southern boundary of the Lake District National Park. Following a £22m new build the Academy occupies an attractive site, with state of the art facilities. As well as our scenic location and excellent facilities we offer our employees a bespoke CPD programme, the opportunity to take part in European projects, and a range of benefits including the free use of our onsite gym.

We are looking for a talented and inspiring teacher who is committed to making Mathematics an exciting subject for all of our students and who can work effectively as part of our successful specialist Mathematics team. This post represents a superb career opportunity for an enthusiastic and dynamic professional who has excellent subject knowledge and a strong desire to engage students in Mathematics learning. Your qualities as an emerging leader will be just as important as your teaching skills.

The successful candidate will be passionate about learning and committed to the success of our students; this role has the opportunity to take the lead in developing numeracy across the school and for helping to develop an exciting new transition venture.

This post would suit a qualified teacher looking to teach Mathematics across all ability groups in KS3 and KS4. NQT's and KS2 maths specialists are welcome to apply. We are seeking teachers who are resilient, highly driven and self-motivated, who will go the extra mile to ensure that students achieve beyond their own expectations. Our teacher development programme is very strong and we actively support excellent teachers.

In this role you would have involvement in raising standards of teaching across the whole school as well as within the Mathematics curriculum area.

This role is pivotal to our success, the successful candidate will be:

- leading by example, through outstanding practice and professionalism;
- caring about students, their learning, and their futures;
- driven to make a difference, to overcome barriers, to be relentless in enabling all students to make exceptional progress;
- committed to your own personal development and to collaborative, consultative working.

Furness Academy is committed to safeguarding and promoting the welfare of its students. All applicants are subject to the requirements of the Safeguarding Children and Safer Recruitment in Education guidelines. This will include checks with past employers and the need for the successful applicant to hold or undergo a suitable enhanced DBS disclosure. The appointment will also be subject to two satisfactory references.

For further information regarding this post or to apply, please download an information package and application form from our website at www.funressacademy.co.uk or email hrrecruitment@furnessacademy.co.uk or post your enquiry to Recruitment at Furness Academy, Park Drive, Barrow in Furness, Cumbria, LA13 9BB. Please quote the relevant job reference code on your application form.
